united kingdom's great cathedrals, abbeys and other holy places attract millions of visitors. These illustrated reflective guides look beyond the historical and architectural riches and enable visitors and pilgrims alike to connect with the hidden spiritual dimension that makes these pilgrim places so powerful and inviting. Their handy pocket size makes them wonderful travelling companions. Free pilgrim guide display boxes are available when you order 24 or more guides. Each box provides display space for four copies of six titles. Visitors and pilgrims have been coming to Glendalough since early Celtic times and today it is one of the most visited ancient sites in Ireland. This detailed guidebook brings out the timeless mystery of this ancient and sacred place and reveals the treasures of the rich traditions of the area: the legends and stories of its patron St Kevin and the lives, lifestyles and beliefs of its inhabitants since earliest times. Uniquely, this guidebook is also a book on Celtic spirituality based on a pilgrimage journey through Glendalough where both visitor and pilgrim are helped to make connections between the Celtic spirituality of St Kevin and his followers and a spirituality relevant for their own lives today. It brings to both pilgrims and tourists a new source of inspiration linking the sixth century spirituality of Kevin and his followers with modern times in a meaningful way. In fact, it fills a void and gives food for thought and personal reflection. The Irish Catholic pilgrim's guide to the Holy Land is an ideal companion for your visit and will stimulate many happy memories. Afterward, a concise and indispensable handbook describing all the sites, both biblical and secular that you will see, as well as giving practical information on food, currency and so on. Lavishly illustrated in full color with five maps and diagrams, it is written by experienced Christian tour leaders. This is one of the few guides to cover all of the biblical and major tourist sites of both Israel and Jordan. Papers delivered at an international symposium entitled 'Pilgrims and Travellers in Search of the Holy' convened in Helsinki in 2008. Introduction: Experience a little-known side of Kosovo and her people by discovering their Catholic past and present. In this guide, you'll find locations, visiting hours, driving instructions, mass and feast day schedules for 33 of Kosovo's Catholic churches and sites. You'll find background on their 1,900-year history beginning with the 2nd century Christian evangelizers and converts in the then Roman province of Illyricum. You'll find stories from present-day parishioners who openly share their heritage and faith. More than 80 photographs, along with diagrams and contributions from 17 of Kosovo's Catholics, will make you feel you're already there. Well researched and organized, enhanced with historical and religious background, this guide is for pilgrims and general travelers alike and even for those who might not ever get to Kosovo. You'll be fascinated and moved by Catholic Kosovo. The appeal of sacred sites remains undiminished at the start of the twenty-first century as unprecedented numbers of visitors travel to Lourdes, Rome, Jerusalem, Santiago de Compostela and even Star Trek conventions. Ethnographic analysis of the conflicts over resources and meanings associated with such sites, as well as the sense of community they inspire, provides compelling evidence re-emphasizing the links between pilgrimage and tourism. As the papers in this collection demonstrate, studies of these forms of journeying are at the forefront of postmodern debates about movement and centers, global flows, social identities and the negotiation of meanings. Pilgrimage was an integral part, not only of medieval religion but medieval life and from its origins in the 4th century Mediterranean world, rapidly spread to northern Europe as a pan-European devotional phenomenon. Drawing upon original source materials, this text seeks to uncover the motives of pilgrims and the details of their preparation, maintenance, hazards on the route and their ideas about

pilgrimage sites especially jerusalem compostela and rome and gives an account of the multiplicity of interest which grew up around the many shrines along the way the period covered is from about 1000 ad to 1500 ad before the first crusade and the beginning of the great growth in pilgrimage in the orthodox church byzantine of russia the bibliography includes printed sources and a listing of secondary works the objective of this book is to analyse the historical relationships between the phenomenon of christian pilgrimage and political power within europe from the middle ages up to the present day it establishes a discussion in which the twelve contributors to the volume can compare very different situations such as the medieval pilgrimages and politics in the latin east as part of warfare and conflict resolution the significance and reality of pilgrimages in late medieval england or in rome during the papacy of innocent iii the two way traffic pilgrimages in the tuscan city of lucca or the pilgrimages in eastern european countries as an aspect of opposition to communist power a major focus is on the pilgrimages to santiago de compostela an important christian sanctuary from the time of the discovery of the tomb of the apostle st james in the 9th century topics covered include the way of st james as seen through medieval muslim sources the political reading of the apostolic cult as an ideological instrument of the propaganda of the asturian monarchy santa maria de roncesvalles as an example of political involvement in the assistance of the jacobean pilgrims the order of st john as protector of the medieval pilgrims to santiago de compostela or the nationalist use of the pilgrimages as an element of national unification and internal cohesion during the spanish civil war the final chapter provides a broader global perspective on pilgrimages up to present times knock is ireland s national marian shrine and is visited by hundreds of thousands of pilgrims every year this book is about why they come edited by fr colm kilcoyne who worked at knock himself for over ten years it contains contributions from many of the people who make knock happen day in day out for pilgrims tourist and visitors the range of things going on at knock shrine will come as a surprise to most people even the regular visitor from counselling to prayer guidance youth ministry to the chapel of reconciliation the knock shrine bookshop the carmelite monastery from stewards and handmaids we get a range of perspectives on what makes knock so special both to individual pilgrims and to the wider irish church this unique collection of essays and insights also includes the experiences of ordinary pilgrims to knock as recorded in the shrine visitors book and an interview conducted with the late pp and rector of knock shrine fr joe quinn who was so well known to the thousands he came in contact with through his work at the shrine there are as many insights into knock as there are individual visitors pilgrim and workers the contributions here are a mix of knowing and questioning so if you ever wondered why so many people make the trip to knock or what it is about this place that makes it unique here are some insights to help you answer those questions and maybe pose a few new ones values rich journeys can be described as pilgrimage spiritual travel personal heritage tourism holistic tourism and valuistic journeys there are many motivations for undertaking these journeys the most important being personal values life experience personal and social identity lifestyle social and cultural influence this book presents contributions that address pilgrim motivation identity and values as they are shaped by the broader sociological psychological cultural and environmental perspectives the focus of the book is the travellers themselves and their inner world through the lens of their pilgrimage the research presented focuses on the typology of pilgrim journeys as ways in which identity and values are presented to a post modern

consumer society providing interesting and challenging perspectives on the identity of pilgrims in the 21st century recounts how the pilgrims came to the united states on the mayflower started the colony of new plymouth and endured a horrible first winter this is a reproduction of the original artefact generally these books are created from careful scans of the original this allows us to preserve the book accurately and present it in the way the author intended since the original versions are generally quite old there may occasionally be certain imperfections within these reproductions we re happy to make these classics available again for future generations to enjoy pilgrimage was an integral part not only of medieval religion but medieval life and from its origins in the 4th century mediterranean world rapidly spread to northern europe as a pan european devotional phenomenon drawing upon original source materials this text seeks to uncover the motives of pilgrims and the details of their preparation maintenance hazards on the route and their ideas about pilgrimage sites especially jerusalem compostela and rome and gives an account of the multiplicity of interest which grew up around the many shrines along the way the period covered is from about 1000 ad to 1500 ad before the first crusade and the beginning of the great growth in pilgrimage in the orthodox church byzantine of russia the bibliography includes printed sources and a listing of secondary works bloomsbury publishing this volume explores the religious motivations for pilgrimage and reveals the main preoccupations of worshippers in ancient greece dillon examines the main sanctuaries of delphi epidauros and olympia as well as the less well known oracle of didyma in asia minor and the festivals at the isthmus of corinth he discusses the modes of travel to the sites means of communication between pilgrims and the religious and ritual practices at the sanctuaries themselves a unique insight into pilgrimage in ancient greece is presented focusing on the diverse aspects of pilgrimage the role of women and children the religious festivals of particular ethnic groups and the colourful celebrations involving music athletics and equestrian events pilgrims and pilgrimage in ancient greece is an accessible and fascinating volume which reveals how the concept of pilgrimage contributes to greek religion as a whole an inquiry into how portrayals of the pilgrims evolved from glorification to more accurate interpretations of history through performance jerusalem is a city with a singular nature home to three religions it contains spiritual meaning for people the world over it is at once a tourist destination and a location with a complex political reality tourism therefore is an integral part of jerusalem s development and its political conflicts the book traces tourism and pilgrimage to jerusalem from the late ottoman era through the british mandate during the period of the divided city and to the reunification of the city under israeli rule throughout the city s evolution is shown to be intertwined with its tourist industry as tourist sites accommodations infrastructure and services transform the city s structures and open spaces at the same time tourism is wielded by various parties in an effort to gain political recognition to bolster territorial control or to garner support the city s future and the role tourism can play in it are examined while the construction of a security fence will have many implications on jerusalem s tourist industry steps are proposed to minimize the effects of the security fence and optimize tourism written by leading academics this title will be valuable reading for students academics and researchers in the fields of tourism religious studies geography history cultural studies and anthropology each year the united kingdom s great cathedrals abbeys and other holy places attract millions of visitors these illustrated reflective guides look beyond the historical and architectural riches and enable visitors and pilgrims alike to connect with the

Conflicts, Religion and Culture in Tourism 2017-10-10 this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Pilgrim Memorials and Guide for Visitors to Plymouth Village 2016-04-27 health and architecture offers a uniquely global overview of the healthcare facility in the pre modern era engaging in a cross cultural analysis of the architectural response to medical developments and the formation of specialized hospitals as an independent building typology whether constructed as part of chinese palaces in the 15th century or the religious complexes in 16th century ottoman istanbul the healthcare facility throughout history is a built environment intended to promote healing and caring the essays in this volume address how the relationships between architectural forms associated with healthcare and other buildings in the pre modern era such as bathhouses almshouses schools and places of worship reflect changing attitudes towards healing they explore the impact of medical advances on the design of hospitals across various times and geographies and examine the historic construction processes and the stylistic connections between places of care and other building types and their development in urban context deploying new methodological interdisciplinary and comparative approaches to the analysis of healthcare facilities health and architecture demonstrates how the spaces of healthcare themselves offer some of the most powerful and practical articulations of therapy

Pilgrimage Tourism, Marketing Strategy 2004 this book analyses community based approaches to developing and regenerating tourism destinations in the developing world addressing this central issue in sustainable tourism practices it reviews a variety of systems useful for analysing and understanding management issues to offer new insight into the skills and resources that are needed for implementation ongoing monitoring and review of community based tourism adopting a multidisciplinary approach this book explores alternatives to the dominant interpretation which argues against tourism as a benefit for

community development international case studies throughout the book illustrate and vouch for tourism as a transformative force while clarifying the need to manage expectations in sustainable tourism for community development rejuvenation and regeneration emphasis is placed on accruing relevant decision support material and creating services products and management approaches that will endure and adapt as change necessitates this will be of great interest to upper level students researchers and academics in the fields of tourism impacts sustainability ethics and development as well as the broader field of geography

A Pilgrim in Chinese Culture 2005-06-07 in recent years there has been a growing interest in the study of hospitality as a social phenomenon this interest has tended to arrive from two communities the first comprises hospitality academics interested in exploring the wider meanings of hospitality as a way of better understanding guest and host relations and its implications for commercial settings the second comprises social scientists using hosts and guests as a metaphor for understanding the relationship between host communities and guests as people from outside the community migrants asylum seekers and illegal immigrants the routledge handbook of hospitality studies encourages both the study of hospitality as a human phenomenon and the study for hospitality as an industrial activity embracing the service of food drink and accommodation developed from specifically commissioned original contributions from recognised authors in the field it is the most up to date and definitive resource on the subject the volume is divided into four parts the first looks at ways of seeing hospitality from an array of social science disciplines the second highlights the experiences of hospitality from different guest perspectives the third explores the need to be hospitable through various time periods and social structures and across the globe while the final section deals with the notions of sustainability and hospitality this handbook is interdisciplinary in coverage and is also international in scope through authorship and content the state of the art orientation of the book is achieved through a critical view of current debates and controversies in the field as well as future research issues and trends it is designed to be a benchmark for any future assessment of the field and its development this handbook offers the reader a comprehensive synthesis of this discipline conveying the latest thinking issues and research it will be an invaluable resource for all those with an interest in hospitality encouraging dialogue across disciplinary boundaries and areas of study

Every Pilgrim's Guide to Walsingham 2007 the contributions to this volume have been selected from the papers delivered at the 34th spring symposium of byzantine studies at birmingham in april 2000 travellers to and in the byzantine world have long been a subject of interest but travel and communications in the medieval period have more recently attracted scholarly attention this book is the first to bring together these two lines of enquiry four aspects of travel in the byzantine world from the sixth to the fifteenth century are examined here technicalities of travel on land and sea purposes of travel foreign visitors perceptions of constantinople and the representation of the travel experience in images and in written accounts sources used to illuminate these four aspects include descriptions of journeys pilot books bilingual word lists shipwrecks monastic documents but as the opening paper shows the range of such sources can be far wider than generally supposed the contributors highlight road and travel conditions for horses and humans types of ships and speed of sea journeys the nature of trade in the mediterranean the

continuity of pilgrimage to the holy land attitudes toward travel patterns of communication in the mediterranean are revealed through distribution of ceramic finds letter collections and the spread of the plague together these papers make a notable contribution to our understanding both of the evidence for travel and of the realities and perceptions of communications in the byzantine world travel in the byzantine world is volume 10 in the series published by ashgate variorum on behalf of the society for the promotion of byzantine studies
